

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE OF THE COUNCIL OF THE CITY OF  
SANTA BARBARA AMENDING THE MUNICIPAL CODE BY  
ADDING CHAPTER 28.80 ESTABLISHING  
REGULATIONS AND PROCEDURES FOR MEDICAL  
CANNABIS DISPENSARIES.**

The City Council of the City of Santa Barbara does ordain  
as follows:

**SECTION ONE.** The City Council adopts the ordinance codified in  
this chapter based upon the following findings and  
determinations:

A. The voters of the State of California approved Proposition  
215 (codified as Health and Safety Code Section 11362.5 et seq.)  
entitled "The Compassionate Use Act of 1996" (Act).

B. The intent of Proposition 215 was to enable persons residing  
in the State of California who are in need of cannabis for  
medical purposes to be able to obtain and use it without fear of  
criminal prosecution under limited, specified circumstances.

C. The State enacted SB 420 in 2004, being Sections 11362.7 et  
seq., of the Health and Safety Code, being identified as the  
Medical Cannabis Program, (Program), to clarify the scope of the  
Compassionate Use Act of 1996 and to allow cities and other  
governing bodies to adopt and enforce rules and regulations  
consistent with the Program.

D. To protect the public health, safety, and welfare, it is the  
desire of the City Council to modify the City Code consistent  
with the Program, regarding the location and operation of  
medical cannabis dispensaries.

E. It is the City Council's intention that nothing in this  
chapter shall be construed to do any of the following: 1. to  
allow persons to engage in conduct that endangers others or  
causes a public nuisance; 2. to allow the use of cannabis for  
non-medical purposes; or 3. to allow any activity relating to  
the cultivation, distribution, or consumption of cannabis that  
is otherwise illegal and not permitted by state law.

F. Pursuant to California Health and Safety Code Section 11362.71 et seq., the State Department of Health, acting by and through the state's counties, is to be responsible for establishing and maintaining a voluntary medical cannabis identification card program for qualified patients and primary caregivers.

G. California Health and Safety Code Section 11362.71(b) requires every county health department, or its designee, to implement a procedure to accept and process applications from those seeking to join the identification program in the matters set forth in Section 11362.71 et seq.

H. This chapter is found to be categorically exempt from environmental review pursuant to CEQA Guidelines Section 15061(b) (3) in that the Council finds and determines that there is nothing in this chapter or its implementation that could foreseeably have any significant effect on the environment.

I. That this chapter is compatible with the general objectives of the general plan and any applicable specific plan, in that this use would be conditionally permitted in commercial and industrial districts, being similar to other permitted and conditionally permitted uses, such as pharmacies and medical clinics, and in that the use will be subject to strict review and conditions.

J. That this chapter is compatible with the public convenience, general welfare and good land use practice, in that medical marijuana dispensaries address a medical need in the community, and in that the use will be subject to rigorous review and conditions.

K. That this chapter will not adversely affect the orderly development of property, in that dispensaries would be subject to a careful review process, and strict operating requirements would be imposed.
